

Nombre _____ Clase _____

El Tiempo - Ta-Ta-Ti

Choose 3 activities from the grid below. Your activities must make a line (horizontal, vertical or diagonal). You may complete additional activities for a chance for a prize!

<p>Practice any of the Quizlet activities or play the Zzish game for Weather & Seasons.</p>	<p>Complete the vocab cube puzzle either by yourself or with a partner.</p>	<p>In Schoology, complete the activity “¿Qué tiempo hace? Practice 3”</p> <p> ¿Qué tiempo hace? Practice 3 3 sections</p> <p>or do the paper version of this activity.</p>
<p>In Schoology, complete the activity “¿Qué tiempo hace? Practice 2”</p> <p> ¿Qué tiempo hace? Practice 2 3 sections</p> <p>or do the paper version of this activity.</p>	<p>Play ¡La Bomba! with a partner or up to a group of 4. Roll the double die to see which square to go to. Answer the questions correctly to earn the points. Land on a bomba and you lose all your points. The person with the most points wins!</p>	<p>Cut out a set of paper flashcards and practice them with a partner or by yourself. Make a pile for those you know and don't know, then re-practice the ones you don't know already.</p>
<p>Play “Conectan Cuatro” (Connect 4) with a partner. Each person needs a different color questions sheet. Use this sheet to ask your partner questions. They only get to play a chip if they answer correctly.</p>	<p>In Schoology, complete the activity “¿Qué tiempo hace? Practice”</p> <p> ¿Qué tiempo hace? Practice 3 sections</p>	<p>Create a Kahoot! game for the class to play using the vocabulary from Weather & Seasons. Go to get.kahoot.it. Use the following:</p> <p>username: senoramongold@gmail.com</p> <p>password: Mongoldland</p> <p>Name the quiz YOUR name - Weather Quiz.</p>
